

## Introducing single voltage value systems

### Features / Benefits

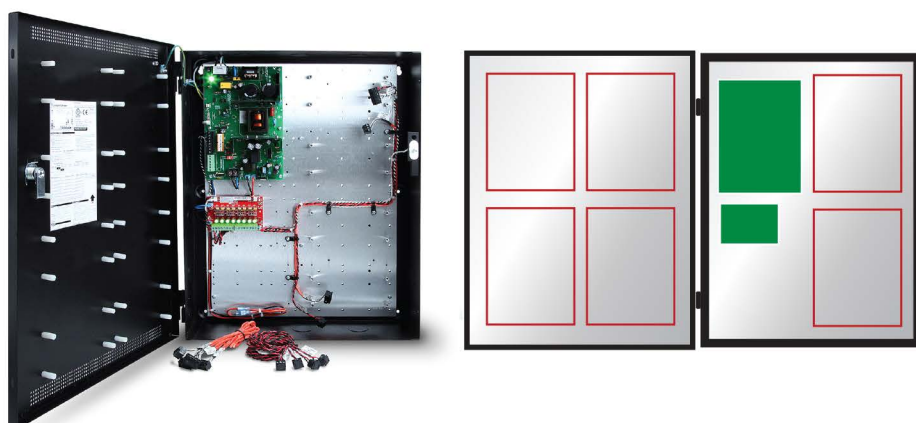

- Low cost, pre-wired: system power, faults, communication, tamper
- Fastest on the job install - plug and play controllers
- Factory wired, tested with joint Mercury/LSP UL, CUL, CE listing
- E2 enclosures: 20H x 16W x 4.5D with lock and tamper switch
- Lifetime Warranty - LSP quality commitment

#### MERCURY FOUR

**FPV4-E2M/T4X**  
4A@12VDC or 3A@24VDC

#### MERCURY TWELVE

**FPV102-D8PE2M1/T12X**  
10A@12VDC

**FPV104-D8PE2M1/T12X**  
10A@24VDC
