

Overview

LifeSafety Power expansion enclosures provide additional space for use as a wiring gutter, additional battery space, or mounting of additional access control modules.

EX series enclosures are available for horizontal (top/bottom) or vertical (left/right side) mounting with Traditional, Unified, or ProWire E4 or E8 enclosures. Removable, hinged covers include a lock and tamper switch. Side enclosures are provided with removable shelves for up to 40AH sized batteries.

Pre-punched knockouts are aligned with knockouts on the base enclosure for easy interconnection.

Features

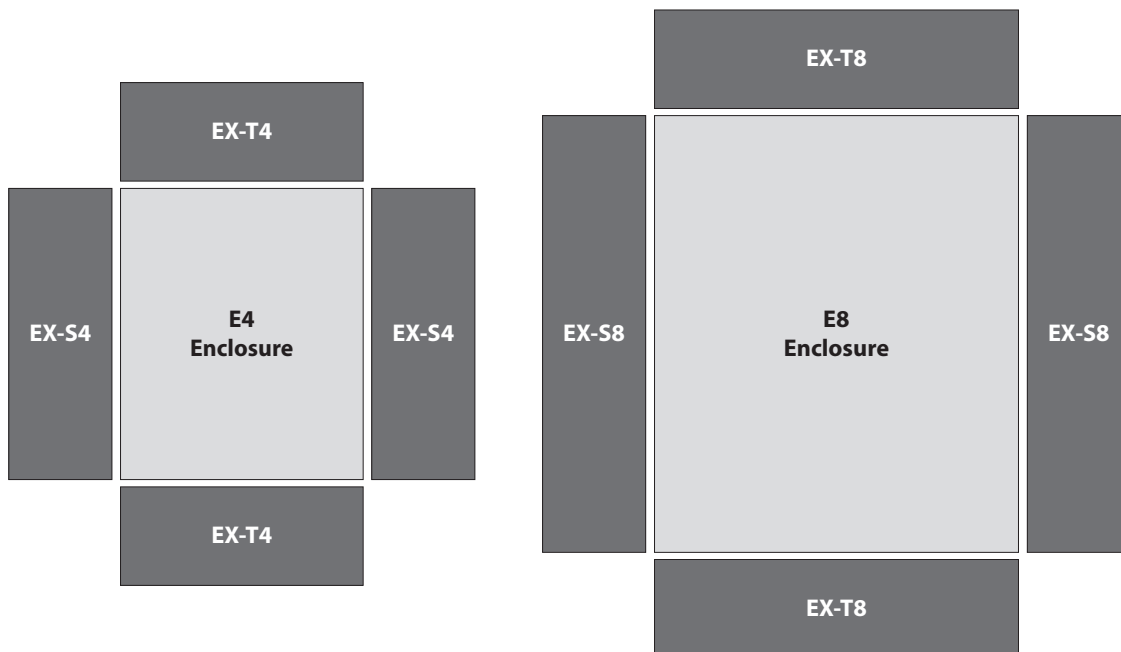

- Locking enclosures provide consistent look with other LifeSafety Power equipment
- Flexible-use enclosures may be used as wire gutter space, additional battery space, or mounting of additional access control modules via backplate.
- Side enclosures include removable battery shelves to accommodate multiple batteries up to 40AH each
- Hinged, removable enclosure doors for ease of maintenance
- Pre-installed lock set and tamper switch

Model No.	Height x Width x Depth	Weight
EX-T4	8.1 x 20 x 6.5" (20.6 x 50.8 x 16.5cm)	13 lbs. (5.89 kg)
