

FOR IMMEDIATE RELEASE

New LifeSafety Power ProWire™ Unified Power Systems Streamline Access Installations and Promote Project Standardization

ProWire eliminates hours of panel wiring, lock control and communication wiring and provides a standard installation platform that improves system uniformity and streamlines service and maintenance.

Mundelein, Ill., September 22, 2017 – LifeSafety Power Inc., the preeminent manufacturer and creator of intelligent power, has released ProWire Unified Power Systems, the highest level of integration between a power system and an access control solution.
