FOR IMMEDIATE RELEASE

LifeSafety Power[®] PROWIRE XPRESS™ Extends ProWire[®] Family with Streamlined Single-Voltage Pre-Wired Solutions for Cost-Effective Installations

A new, low-cost power system for installers with the inherent efficiencies of ProWire's precision wiring design.

Libertyville, IL, July 21, 2020 — ProWire Unified Power Systems, the highest level of integration between a power system and an access control solution, has expanded its family of products with the introduction of ProWire XPRESS, a new value line of single-voltage power systems featuring prewired controller terminal strips for rapid, reliable setup and in-the-field savings.
