LifeSafety Power Wins 2021 New Product of the Year Award for FlexPower® FPO Gen2

Updated product engineering and assured system reliability wins over judges.

Phoenix, AZ, September 22, 2021 — LifeSafety Power, the industry's leading provider of connected and intelligent networking power solutions, topped all other entries in the power supply technologies category to net a 2021 New Product of the Year (NPOY) award from Security Today magazine for FlexPower FPO Generation 2 (Gen2).
