

AMAG Unified Power® Integrated Power Systems

AMAG Unified Power Systems combine system power, lock power and distribution alongside AMAG™ M2150 or M4000 Series access hardware in one compact and secure UL Listed solution. Solutions are available from 4 to 16 doors, in single or dual voltage, standard or network managed.

Unified Power Features

- Single enclosure solution reduces wall space requirements
- Single AC drop
- Removable backplate for easy installation
- Predrilled & tapped holes for access panel mounting
- Mounting hardware included
- Single or dual voltage, standard or network managed

Also available in [ProWire Prewired](#) and [Gemini Rack Mount](#) configurations!
